FROM THE REVENUE COMMISSIONER

Did you know that by registering an account with the Department of Revenue's Georgia Tax Center (GTC), you can sign up to receive notifications when any activity takes place on your account? These notifications help you closely monitor your tax status and help combat fraudulent activity. Visit gtc.dor.ga.gov to register. For assistance, you may visit our self-service instructional videos at dor.georgia.gov/georgia-tax-center-help.

Did you also know that taxpayers who file their returns electronically and have their refunds directly deposited into their bank accounts receive their refunds much more quickly than those who filed a paper return. If you've been considering electronic filing, some of the benefits include:

- ☐ Faster and more accurate processing
- ☐ Receiving your refund by mail or direct deposit
- ☐ The ability to file from your home PC or have your taxes prepared by a professional electronic return originator
- ☐ Elimination of mailing paper returns

The Department of Revenue encourages taxpayers to take time to review and adjust their Georgia income tax withholding if they received a substantial refund last year. By reducing withholding amounts, taxpayers have immediate use of their earnings, and won't have to wait until the following year to get their money. Please use the Form G-4 (or G-4P if you are receiving a pension) to determine your withholding allowances. These forms can be found on the Department's website at dor.georgia.gov/.

If you file electronically and need to make a payment, you may pay by electronic check using the Georgia Tax Center. Visit gtc.dor.ga.gov or visit our self-service instructional videos at dor.georgia.gov/georgia-tax-center-help. For additional information contact the Taxpayer Services Call Center at 1-877-423-6711.

The Department of Revenue, as outlined in the Taxpayer Bill of Rights, will provide "fair, courteous and timely service" to the taxpayers of Georgia. We have implemented several initiatives to ensure we uphold that standard. Our mission is to provide the best customer service and operational performance of any state taxing authority.

FREE ELECTRONIC FILING

The Department of Revenue has partnered with certain software companies to offer free and/or low cost on-line filing services to Georgia taxpayers under the Free File Alliance Program. Under this agreement, qualified taxpayers can prepare and file their Georgia individual income tax returns for free or a minimum cost using approved software.

Each software company has income limitations and other restrictions for their free services. Please review each company's offer before selecting a product. For more information, visit our website at dor.georgia.gov/free-file-alliance.

If you do not qualify for free electronic services, you may file electronically using software produced by an approved vendor listed on our website dor.georgia.gov/approved-software-vendors.

Volunteer Income Tax Assistance (VITA)

The VITA program was established by the IRS to assist qualified individuals with free electronic tax preparation services. Assistance is geared towards individuals with low to moderate income less than \$55,000 per year. The preparers are IRS-certified and can prepare basic income tax returns. There are several VITA locations in the metro area and throughout Georgia. For more information visit our website at dor.georgia.gov/need-help-your-taxes.

2-D Barcode

If you choose to file a paper return, we recommend using a return containing a two-dimensional (2D) barcode. The information you enter on the return is encoded into the barcode which reduces errors and saves time in processing the return. The 2D barcode is only visible after your return has been printed.

Where's My Refund?

Check the status of your refund online at gtc.dor.ga.gov. You may also check the status of your refund by calling 1-877-GADOR11 (1-877-423-6711).

Please allow 90 business days to receive refunds. The Department is taking additional fraud prevention measures to ensure tax refunds are issued to the correct individuals.

You will receive your refund via paper check if you are a first time Georgia filer or if you have not filed your taxes in five or more years.

Note: A claim for refund must be made within three (3) years from the later of the date the tax was paid or the due date of the return, including extensions.

GENERAL INFORMATION

When to File. Calendar year taxpayers are required to file on or before April 15, 2019. Fiscal year taxpayers must file on or before the 15th day of the fourth month after the close of their taxable year.

Extension to File. The Georgia return must be filed along with a copy of Federal Form 4868 or the IRS confirmation letter on or before the extended Federal due date. If you do not need a Federal extension, you may use Georgia Form IT 303 to request an extension to file your Georgia return.

An extension to file does not extend the date for paying the tax. Tax must be paid electronically via GTC or with Form IT-560 by the statutory due date to avoid late payment penalty and interest. The amount paid should be entered on Form 500, Line 25.

Amended Returns. File Form 500X to correct information reported on Form 500. Do not use Form 500 to correct a previously filed return or use Form 500X as an original return.

When Electronic Filing is Required. Taxpayers that remit payments by electronic funds transfer, whether on a mandatory or voluntary basis, must file all associated returns electronically.

A return preparer who prepares an income tax return, must electronically file the return, when the federal counterpart of such return is required to be filed electronically pursuant to the Internal Revenue Code of 1986 or Internal Revenue Service regulations.

Also, a return is required to be electronically filed if the return generates, allocates, claims, utilizes, or includes in any manner a series 100 credit. (see page 22)

Installment Payment Agreement. You must meet the following criteria for an installment payment agreement:

- Returns for all years must be filed
- Agreements are up to 60 months
- Payments should be made through automatic debit from your bank account

Note: There is a set up cost associated with initiating an Installment Payment Agreement.

Installment payment requests may be submitted online via the Georgia Tax Center (GTC) at gtc.dor.ga.gov. Please contact the Installment Payment Agreement Section at 404-417-2122 or via e-mail to ipa@dor.ga.gov to determine eligibility.

Penalty and Interest. Tax not paid by the statutory due date of the return is subject to interest and $\frac{1}{2}$ of 1 percent late payment penalty per month, or fraction thereof. Also a monthly late filing penalty is imposed at a rate of 5 percent of the tax not paid by the original due date. Interest accrues until the tax due has been paid in full; the combined total of late filing and late payment penalty cannot exceed 25 percent of the tax not paid by the original due date. An extension of time for filing the return does not extend the date for making the payment. Additional penalties may apply as follows:

- Frivolous Return Penalty - \$1,000. (A frivolous return is one that contains incorrect or insufficient information to accurately compute the appropriate tax liability with the intent to delay or impede Georgia tax law or is based on a frivolous position.)
- Negligent Underpayment Penalty - 5 percent of the underpaid amount.
- Fraudulent Underpayment Penalty - 50 percent of the underpaid amount.
- Failure to File Estimated Tax Penalty - 9 percent per year for the period of underpayment. Use Form 500 UET to calculate the penalty.
- Interest accruing for months beginning before July 1, 2016 accrues at the rate of 12 percent annually. Interest that accrues for months beginning on or after July 1, 2016 accrues at an annual rate equal to the Federal Reserve prime rate plus 3 percent. The interest rate will be reviewed and will be adjusted in January of each subsequent calendar year based on the Federal Reserve Rate.

Review of Assessments. If you are audited and it is believed that you owe additional taxes, you will generally be issued a Proposed Assessment. If the Proposed Assessment is not protested or paid within 30 days, an Official Assessment and Demand for Payment will be issued. When either of these assessments is issued, you are entitled to an administrative review upon written request. You must complete the appropriate form. The forms are available on the Department's website at dor.georgia.gov.

GENERAL INFORMATION

Supporting Documents. We will request information to support the amounts listed on your Georgia income tax return and related schedules when necessary. However, you must include the indicated documentation with your Georgia return for the following situations:

- The amount on Form 500, Line 8 is \$40,000 or more, or less than the total income on your W-2(s) - submit a copy of Pages 1 and 2 of your Federal return.
- You itemize deductions - submit a copy of Federal Form 1040 Schedule A.
- You claim the Georgia child and dependent care expense credit - submit the appropriate Federal child care credit schedule.
- You claim a credit for taxes paid to another state(s) - submit a copy of your return filed with the other state(s).

Address Changes. You must notify the Department of your address change. Notification of an address change can be made through GTC inside a logon, by calling 1-877-423-6711 or writing the new address on your tax return and checking the address change box.

Name Change. The Department currently requires a copy of one of the following four documents in order to change a person's name:

- Social Security Card
- Driver's License
- Name change decree from Superior Court
- Marriage Certificate

These documents should be submitted with your tax return.

Innocent Spouse Relief. Individuals who were granted innocent spouse relief by the Internal Revenue Code are eligible for relief from liability for tax, interest and penalty for Georgia.

Low and Zero Emission Vehicle Credit. This credit is no longer available for vehicles purchased or leased on or after July 1, 2015.

Individual Retirement Accounts. The provisions concerning taxability and conversion from a traditional IRA to a Roth IRA are the same for Georgia and the Internal Revenue Service.

Withholding on Lump-sum Distributions. For taxable years beginning on or after January 1, 2008, the payee of any non-periodic payment may elect to have withholding made on the non-periodic distributions from a pension, annuity, or similar fund. The election shall remain in effect until revoked by the payee. See Form G-4P for more information.

Income from Partnerships and S Corporations. Nonresident partners must pay Georgia income tax on their portion of the partnership's net Georgia income. Nonresident shareholders must pay Georgia income tax on their portion of Georgia corporate income; resident shareholders and partners must report their total S Corporation or partnership income.

Federal Audit. Whenever a Federal audit or other Federal adjustment results in a change in net income for any year, you are required to furnish under separate cover, within 180 days, a schedule reflecting all changes to the Taxpayer Services Division, Department of Revenue, P.O. Box 740380, Atlanta, Georgia 30374-0380. Additionally, if the changes result in a refund, the refund must be claimed within one year of the date the changes are submitted. If you do not submit a return reflecting all changes and the Commissioner receives this information in a report from the United States Government, the Commissioner will issue an assessment for tax due within five years from the date the report is received from the United States Government.

A taxpayer who fails to notify the Commissioner within 180 days forfeits any Georgia refund as a result of an IRS audit if the normal statute of limitations has expired. However, 90 percent of any overpayment can be applied to a balance due for another year that is a result of the same IRS audit.

Withholding on Nonresidents. Withholding is required on the members share of the taxable income sourced to this state, whether distributed or not, from Partnerships, Limited Liability Companies and S Corporations. Withholding should be reported on Form G2-A and entered on Form 500, Line 24. Include a copy of Form G2-A with your return.

Withholding is also required on the sale or transfer of real property and associated tangible personal property by nonresidents of Georgia. Tax withheld is reported on Form G2-RP and should be entered on Form 500, Line 24. Include a copy of Form G2-RP with your return.

See Regulation 560-7-4-.05 for more information.

FILING REQUIREMENTS

Taxpayers Required to File Form 1040NR

Individuals who are required to file Federal Form 1040NR must file Georgia Form 500. Similar to Federal income tax rules, most of these Georgia taxpayers are only allowed to deduct the applicable Georgia personal exemption and expenses reflected on Form 1040NR. Most taxpayers are not allowed to take the standard deduction and they are allowed only limited itemized deductions as shown on Form 1040NR, Schedule A.

Military Personnel

Residents. Military personnel who are legal residents of Georgia are subject to Georgia income tax on all income regardless of the source or where earned, unless specifically exempt by Georgia law. Military personnel who serve outside of the continental U.S. may file their Georgia income tax return within six months after they come back to the continental U.S. No penalties or interest will accrue during this period.

Members of the National Guard or Air National Guard who are on active duty for a period of more than 90 consecutive days are allowed a tax credit against their individual income tax. The credit cannot exceed the amount expended for qualified life insurance premiums or the taxpayer's income tax liability and should be claimed on Form IND-CR.

Nonresidents. Military personnel who are not legal residents of Georgia are only required to file a Georgia income tax return if the person earns income during their off duty hours from sources in Georgia or if the person has income from property located in Georgia or the person receives business income from Georgia sources. If required, nonresident military personnel should file Georgia Form 500 and use Schedule 3 to calculate Georgia taxable income. (See pages 17 -18 for instructions on completing Schedule 3.)

Spouses of Military Personnel. A spouse of a military person shall neither lose or acquire their legal residence solely to be with the military person serving in compliance with military orders but this provision only applies if the legal residence of the spouse is the same as the military person or the spouse of a military person has elected to use the same residence for purposes of taxation as the military person. Income for services performed by the spouse of a military person shall not be considered Georgia income if the military person is not a legal resident of Georgia but this only applies if the spouse is in Georgia solely to be with the military person serving in compliance with military orders and the legal residence of the spouse is the same as the military person or the spouse of a military person has elected to use the same residence for purposes of taxation as the military person. The affected taxpayer should exclude the income on Schedule 3, Column C, Line 7 of the Form 500. No amounts should be entered on Schedule 3, Column A, Line 7 of Georgia Form 500.

Combat Zone Pay

Effective tax year 2003, military income earned by a member of the National Guard or any reserve component of the armed

services while stationed in a combat zone or stationed in defense of the borders of the United States pursuant to military orders is not subject to Georgia income tax. The exclusion from income is only with respect to military income earned during the period covered by such military orders. A copy of the Federal return must be enclosed with the Georgia return to claim this exclusion. The exclusion is limited to the amount included in Federal Adjusted Gross Income.

Estimated Tax

Estimated tax is required for each individual subject to Georgia income tax who reasonably expects to have gross income during the year which exceeds (1) personal exemption, plus (2) credits for dependents, plus (3) estimated deductions, plus (4) \$1,000 of income not subject to withholding.

Estimated tax required from persons not regarded as farmers or fishermen shall be filed on or before April 15 of the taxable year, except if the above requirements are first met on or after April 1 and before June 1, estimated tax must be filed by June 15; on or after June 1 but before September 1, by September 15; and on or after September 1, by January 15 of the following year. Individuals filing on a fiscal year basis ending after December 31 must file on corresponding dates.

Other State's Tax Return

If you claim a credit for taxes paid to another state(s), you must include a copy of your return filed with that state along with your Georgia return. No credit for taxes paid to another state will be allowed unless the other state's return is enclosed with the Georgia return.

Filing for Dependents (children, etc.)

If the parent or guardian prepared the minor child or dependent's return, the Department recommends that the parent or guardian check the box allowing the preparer to discuss the return with the Department. If this is not done and the parent did not sign the return on the child's behalf as allowed by IRS Publication 929, then the parent or guardian will have to be included on a Power of Attorney (Form RD-1061) prepared by the minor in order for the Department to discuss the return with the parent or guardian.

Filing for Deceased Taxpayers

The surviving spouse, administrator, or executor may file a return on behalf of a taxpayer who dies during the taxable year. When filing, use the same filing status that was used on the Federal income tax return. The due date for filing is the same as for Federal purposes.

Note: To have a refund check in the name of a deceased taxpayer reissued, mail Georgia Form GA- 5347, a copy of the death certificate, and the information specified on Georgia Form GA- 5347 along with the check to the address on the form.

10. Income from any fund, program or system which is specifically exempted by Federal law or treaty.

11. Adjustment to Federal adjusted gross income for Georgia resident shareholders for Subchapter S income where the Sub S election is not recognized by Georgia or another state in order to avoid double taxation.

This adjustment is only allowed for the portion of income on which the tax was actually paid by the corporation to another state(s).

In cases where the Sub S election is recognized by another state(s) the income should not be subtracted. Credit for taxes paid to other states may apply.

12. Adjustment for teachers retired from the Teacher's Retirement System of Georgia for contributions paid between July 1, 1987 and December 31, 1989 that were reported to and taxed by Georgia.

13. Amount claimed by employers in food and beverage establishments who took a credit instead of a deduction on the Federal return for FICA tax paid on employee cash tips.

14. An adjustment of 10% of qualified payments to minority subcontractors or \$100,000, whichever is less, per taxable year by individuals, corporations or partnerships that are party to state contracts. 15. Deductible portion of contributions to the Path2College 529 Plan. The deduction is limited on a return to the amount contributed but cannot exceed \$2,000 per beneficiary unless a married filing joint return is filed then the amount cannot exceed \$4,000 per beneficiary.

The amount may only be deducted to the extent the deduction has not been included in federal adjusted income and the expenses have not been provided from a health reimbursement arrangement and have not been included in itemized deductions. In the event the taxpayer claims the expenses as itemized deductions, the taxpayer should multiply the expense by the ratio of total allowed itemized deductions after the federal limitation to the total allowed itemized deductions before the federal limitation should multiply the expense by the ratio of total allowed itemized deductions after the federal limitation to the total allowed itemized deductions before the federal limitation to determine the amount that is not allowed to be deducted pursuant to this paragraph. For example, the taxpayer has \$1,000 in high deductible health insurance premiums. They also have \$7,000 of other medical expenses which means they have total medical expenses of \$8,000. After the limitation, the taxpayer is only allowed to deduct \$2,000 of medical expenses. The \$1,000 deduction must be reduced by \$250 ($\$2,000/\$8,000 \times \$1,000$). Which means the taxpayer is allowed to deduct \$750 pursuant to this paragraph.

"Recovery Zone Economic Development Bonds" under Section 1400U-2 of the Internal Revenue Code or any other bond treated as a "Qualified Bond" under Section 6431(f) of the Internal Revenue Code are considered "Build America Bonds" for this purpose.

22. Federally taxable interest received on Georgia municipal bonds issued by the State of Georgia and certain authorities or agencies of the State of Georgia for which there is a special exemption under Georgia law from Georgia tax on such interest.

23. Interest eliminated from federal itemized deductions due to the Federal Form 8396 credit.

24. An amount equal to \$1,000 for each clerkship (see below for those who provide more than 10) for any physician who served as the community based faculty physician for a medical core clerkship, physician assistant core clerkship, or nurse practitioner core clerkship. For purposes of this subtraction a "community based faculty physician" means a non-compensated physician who provides a minimum of three and a maximum of ten clerkships within a calendar year. As such, a physician who provides more than 10 clerkships may only subtract \$10,000. A core clerkship means a clerkship for a student who is enrolled in a Georgia medical school, a Georgia physician assistant school, or a Georgia nurse practitioner school and who completes a minimum of 160 hours of community based instruction in family medicine, internal medicine, pediatrics, obstetrics and gynecology, emergency medicine, psychiatry, or general surgery under the guidance of a community based faculty physician. The Statewide Area Health Education Centers Program Office at Georgia Regents University administers the program and certifies rotations.

If they file electronically and their software does not allow attachments, the certification should be retained and provided if requested by the Department.

25. For a firefighter, payments received pursuant to O.C.G.A. 25-3-23(b)(2) (certain insurance benefits related to cancer) to the extent such amounts are included in the taxpayer's federal adjusted gross income and are not otherwise exempt on the Georgia return.

27. Income received by a surviving family member that is based on the service record of a deceased veteran without regard to the age of the surviving family member.

Note regarding ABLE PROGRAMS - NO DEDUCTION is allowed as a subtraction item for any contribution made pursuant to the Georgia ABLE Program or any other state ABLE programs.

RETIREMENT INCOME EXCLUSION

Social security and railroad retirement paid by the Railroad Retirement Board, exempt interest, or other income that is not taxable to Georgia should not be included in the retirement income exclusion calculation. Income or losses should be allocated to the person who owns the item. If any item is held jointly, the income or loss should be allocated to each taxpayer at 50%.

Part-year residents and nonresidents must prorate the retirement income exclusion. The earned income portion and the unearned income portion must be separately prorated. The earned income portion shall be prorated using the ratio of Georgia source earned income to total earned income computed as if the taxpayer were a resident of Georgia for the entire year. The unearned portion shall be prorated using the ratio of Georgia source unearned retirement income to total unearned retirement income computed as if the taxpayer were a resident of Georgia for the entire year.

An eligible single-family residence is a single-family structure (including a condominium unit as defined in O.C.G.A. § 44-3-71) that is occupied for residential purposes by a single family, that is:

- a) Any residence (including a new residence, one occupied at the time of sale, or a previously occupied residence) that was for sale prior to May 11, 2009 and that remained for sale after May 11, 2009; or
